

R. B. CLAPP CO., INC.

Industrial Controls Specialist Since 1914

Phone: (562) 961-6848 Fax: (562) 961-7808 (877) 881-8788

Adjustable Frequency Drives
Counters
Limit Switches
PLC's
Power Supplies
Relays
Sensors
Temperature Controls
Timers

Cutler-Hammer

Adjustable Speed Drives
Durant Counters
Motor Controls
PanelMate Operator Interfaces
PLC's
Sensors
Soft Starters

The Leverless Limit Switch
Explosion Proof Sensors
Harsh Duty Sensors
High Temperature Switches
Magnetic Limit Switches
Underwater Sensors
Valve Position Indicators

Capacitive Sensors
ID Systems
Inductive Proximity Sensors
Intrinsically Safe Barriers
Micro Switch by Pepperl + Fuchs
Photoelectric Sensors
Ultrasonic Sensors

Liquid Level Controls
Palm Buttons
Safety Interlock Switches
Safety Light Curtains
Safety Mats
Safety Relays
Visual OSHA

R. B. CLAPP CO., INC.

Industrial Controls Specialist Since 1914

"We can find your most wanted parts"

**Application Engineering Staff
PLC Programming
Spare Parts Audits**

**Factory Authorized & Trained
Technical Support
Application Solutions**

**Product Sourcing
Product Evaluation
Product Upgrade Programs**

- AC & DC Drives
- Adjustable Speed Drives
- Analog & Digital Temperature Controllers
- Analog Sensors
- Batch Counters
- Capacitive Sensors
- Card Reader Systems
- Connectors & Cables
- Contactors
- **Counters**
- Custom PLC's
- Daily Timers
- Devicenet
- Digital LED Timers
- Edge Guide Sensors
- Electromechanical Counters
- Electronic Counters
- Electro-pneumatic Timers
- Encoders
- Explosion Proof Sensors
- Float Level Sensors
- Flow Sensors
- General Purpose Relays
- Hall Effect Sensors
- Harsh Duty Sensors
- Heat/ Cool Controls
- Hour Meters
- Ice Cube Relays
- ID Systems
- Inductive Sensors
- Industrial PC's
- Intrinsically Safe Barriers
- Laser Sensors
- Latching Relays

- Level Sensors
- Light Curtains
- Light Towers
- **Limit Switches**
- Machine Vision Systems
- Manual Motor Starters
- Measurement Sensors
- MMI's
- Motor Controls
- Motor Driven Timers
- Multi-function Timers
- On/Off & PID Temperature Controls
- **Operator Interfaces**
- Palm Buttons
- Panel Meters
- Photoelectric Sensors
- Photomicrosensors
- **PLC's**
- **Power Supplies**
- Preset Counters
- Pressure Switches
- Process Controls
- Productivity Monitors
- Profiling Scanners
- Proximity Sensors
- Purge Systems
- Pushbuttons
- Quick Disconnect Cables
- Ramp/Soak Controls
- Rate Meters
- **Relays**
- Remote I/O Wiring Solutions
- RFID Systems
- Ring Sensors

- Rotary Contactors
- RTD's
- Safety Bumpers & Edges
- Safety Interlock Switches
- **Safety Light Curtains**
- Safety Mats
- Safety Relays
- Scanners
- Sensor Controllers
- **Sensors**
- Servo Motors
- Slot Sensors
- Sockets
- Soft Starts
- Solid State Relays
- Solid State Timers
- Specialty Sensors
- Speed Controls
- **Switches**
- **Temperature Controls**
- Terminal Blocks
- Thermocouples
- Time Delay Relays
- **Timers**
- Transducers
- Transformers
- Ultrasonic Sensors
- Underspeed Controls
- Underwater Sensors
- Visual OSHA
- Web Loop Sensors
- Weekly Timers
- Weld Field Immune Sensors
- Zener Barriers
- Zero Pressure Sensors

For your convenience, R. B. Clapp Co., Inc. gladly accepts...
